

# OCTOBER IS NATIONAL PIZZA MONTH

Students, Community & Staff,

October is National Pizza Month. Do you have recipes of your favorite pizza you would like to share? I am planning to make a Pizza recipe cookbook for community, students & staff. If we get enough submissions we should have a Grand Rapids Pizza Recipe Cookbook by the end of next month.

Selected submissions will also be entered into the Grand Rapids School website. The people who send in submissions will receive a free pizza cookbook.

Let's see how unique and creative we can be.

Here are some ideas:

All meat, vegetarian, gluten free, pizza bites, mini-pizza faces, diabetic pizza. Dessert pizzas, Cookie dough nut free ice-cream pizza

Send your submissions to:
